## Staying Safe Online

Helping children to stay safe online these days is a crucial part of parenting and teaching. To support children become responsible citizens and users in the online world, a number of resources are available on the school website to help parents with the conversations they have with their children about staying safe online.

## Go Green for Dyslexia

We will be celebrating Go Green for Dyslexia day on Monday 1st October. For a donation of £1 towards the Manx Dyslexia Association, who have very kindly donated books to the school and supported staff, children can come to school in non-uniform but this should include a green item of clothing.

## Steve Woodley Photographs

Just a reminder that unless the form is returned indicating that you wish for your child to have their photograph taken by Steve Woodley, they will not be photographed this year. If you have lost your form please ask at the office for a replacement.

## New Entrants

In order to assist us in allocating staff and resources, we are currently trying to determine pupil numbers for September 2019. If you are aware of anybody who has a child who will be 5 between 1st September 2019 and 31st August 2020, and is hoping to get a place at Kewaique School, we would like them to contact us as soon as possible.

If there are any children that are due to start at Kewaique after September 2020, it would be appreciated if parents could let Mrs Duncan know so that we can begin to plan ahead.
